

HERITAGE TOURISM WORKSHOP

Thursday 25 February, 2021 - 12.30 - 7.00pm
Woodside Studios, WA Museum Boola Bardip

Heritage tourism is part of an emerging trend towards experience-based tourism for visitors who are looking for authentic experiences and wanting to connect with their own and other cultures.

This workshop will feature award-winning heritage projects and celebrate best practice heritage conservation, adaptation and reactivation, tourism and interpretation of our heritage sites and places.

It will explore innovative ways to interpret and promote Western Australia's cultural heritage and includes examples of the positive economic and social impacts of sharing our heritage through stories.

Join FACET and the Heritage Council of Western Australia for a half-day workshop that will showcase outstanding examples of heritage tourism, events and interpretation.
